NEWSLETTER

To our Parents, Caregivers and Whānau

Our anticipated roll for 2018 was 209 students, we are pleased to currently have 232 students enrolled at Coastal Taranaki and we have retained 11 students in Year 13!

Our senior students are now working from our confirmed new timetable. This took some time to review as we worked hard to meet the needs and aspiration of our students.

This year our school will continue to develop our systems, processes and practices in PB4LSW (Positive Behaviour for Learning School Wide). You will have heard of the 3 B's which are our school values – Be Respectful, Be Responsible and Be Ready to Learn. Daily teaching of explicit expectations and data driven programmes are delivered to all students from Years 0 to 13.

We held our 'Meet the Teacher' evening yesterday. Thank you to those who took up the opportunity. As a parent with a busy schedule, I acknowledge how difficult it can be to engage with your child's school. Our door is open, we would like to meet with you at any time throughout the year.

We are looking to confirm and/or elect students to the various Leadership Roles we have at Coastal Taranaki School over the next few weeks. These positions will be representatives of our Whānau Groups, School Council and Values Team. We will share the results in our next school newsletter and website.

The staff and students have requested that we review our school uniform expectations for years 11 to 13. You can expect that we will consult with you later in the term about improving this for our senior students. In the meantime, our school uniform expectations will be maintained and we thank you for your support.

I look forward to seeing our school community at the up and coming camps and sporting events planned for Term 1.
